New Business

Continue discussion on funding recommendations

- Staff reviewed charts comparing last cycle's funding allocation with this cycle's preliminary recommendations so far. No appreciable differences.
- Commission determined priority areas for new funding as homelessness/basic needs, domestic violence, and school aged services.
- Determined recommendations for anticipated funding of \$820K/year, reduced funding at \$765K, and what commission would recommend with increased funding.
- Jason and Carolyn will present recommendations to Council at joint study session on October 14. Regular October 13 meeting cancelled.
