### **MEETING PURPOSE**

On December 2, 2015, the Commission continued the public hearing for the proposed amendments for Old Town Historic Core, Leary Way, and Gilman Street to February 17, 2016. Staff is continuing to follow up on stakeholder comments and because additional time is needed, staff requests that the Planning Commission continue the public hearing to a date certain of March 30, 2016.

### **PREPARATION FOR FEBRUARY 17 PUBLIC HEARING**

Staff will be at the Commission's February 17 meeting to propose continuing the hearing. If there is anyone present who would like to testify, we recommend that you hear the testimony and following that, continue the hearing to March 30, 2016.

### **NEXT STEPS**

At the Commission's February 24 meeting, staff will present a brief background regarding the amendment package and a proposed schedule for the Commission's review and discussion of the updated and refined recommended amendments. Staff will seek Commissioners' input on the proposed schedule, and also questions and identification of additional discussion topics to address during the Commission's review of the recommended amendments.
