

OLD FIRE HOUSE Recording Studio

Welcome to the Old Fire House Recording Studio - come take a tour!

We are a public studio offering professional recording services, internships, classes, and educational programming. Ask about having our professional engineers record your demo, EP, or full length album.

RATES:

(Redmond Resident/Non-Resident)

Half Day - 4 hours

Youth: \$95/\$105

Adult: \$135/\$150

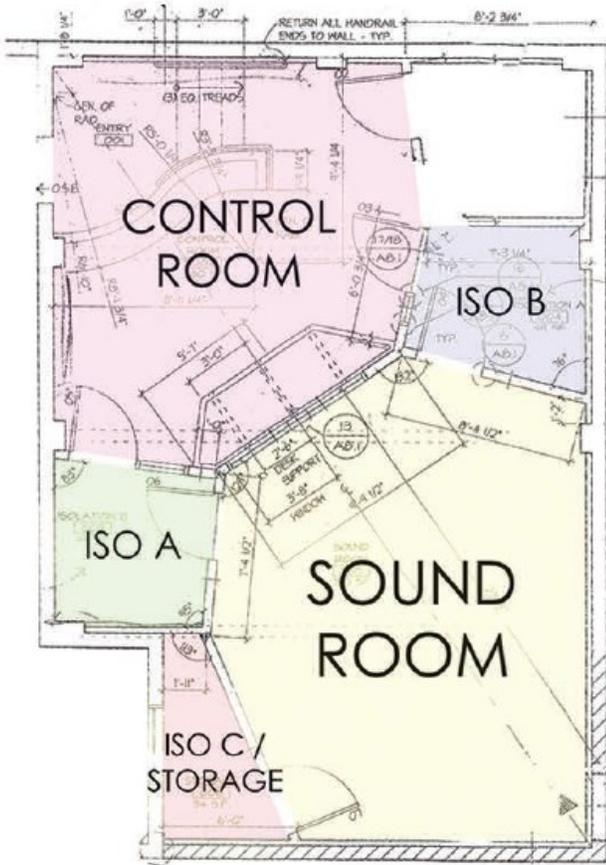

Full Day - 10 hours

Youth: \$230/\$260

Adult: \$330/\$370

Studio rates include an experienced, professional recording engineer!

STUDIO LAYOUT

Control Room - 260 ft²

Home to our Pro Tools system, analog console, and outboard gear. The room comfortably seats an engineer, band, and an intern or two.

Sound Room - 310 ft²

Designed to sound great and accommodate a live band. The walls are lined with our Hammond organ, Leslie cabinet, and amplifiers.

Isolation Booths A & B - 49 ft²

Perfect for vocal or amp isolation. Both rooms have a unique sound and line of sight to the Sound Room and Control Room.

Isolation C / Storage - 34 ft²

Mic locker and other storage. Great for an extra amp when a third isolation space is needed.

Listen to recent projects now!
