- The annual Boards & Commissions Dinner is scheduled for September 21 at 6 pm at the Redmond Senior Center. John once again states his opinion that the money would be put to better use funding additional services.
- Staff in ongoing talks with Just Garden Project personnel. They plan to install gardens in 6-7 residences and 3-4 public sites. John suggests contacting Redmond Saturday Market Root Connection person.
- Still looking for youth commission member through RYPAC.

Old Business: None

New Business:

- Group discussed application ratings within Goal 5 Category, Jobs/Education. Staff will follow-up with agencies whose applications need more clarification. Steve will check with commission members not present whose ratings were significantly different from the rest of the group.
- Group discussed applications for Deep Impact funding. Consensus was that of the three proposals, the timeline for one was too far out before actual services would be provided, the investment by businesses was not present in another, and despite the fact that the third proposal was not innovative its impact would be significant.
- Staff will send out the ratings spreadsheet sortable by goal area, agency and other parameters in preparation for next meeting's beginning discussion around final funding recommendations.
