

# ATTENTION ALL BUILDING PERMIT APPLICANTS

As of July 15<sup>th</sup> all Single Family Home Building Permit Applications for New Construction of Plats or Infill lots will be required to comply with the updated intake submittal requirements as outline in the **Single Family Home Building Permit User Guide** located on the City's website.

Please speak with a counter planner if you have any questions or need guidance in preparing your application(s).

As of July 15<sup>th</sup> all building permit applications for New Construction Single Family homes will have the Planning review completed over-the –counter. The application will be deemed ***approved*** in-full for Planning or will be deemed not compliant and the application will **not be accepted**.
